General Management

	Check	Event Representative Sign
Organisation, Club or School is affiliated with Equestrian Australia		
Your Organisation, Club or School follows the Child Safeguarding Guidelines 2021		
Your Organisation, Club or School follows the relevant EA policies		

The emphasis must always be on avoiding situations of risk. All personnel and event officials have an ongoing responsibility to identify and remedy possible risks through dangerous situations and practices before they result in loss or injury.

This list is intended simply as a prompt for areas of investigation and other site specific areas may need to be added to the list by zones/clubs – for complete details of ‘what and ‘how’ reference should be made to the Rules and Bylaws of Equestrian Australia.

Please see the ISV handbook for relevant interschool requirements and recommendations
